Care Instruction for Leather Furniture:

In order to maintain the original appearance of your Leather Furniture, please follow below simple care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and or exposure to heating and air conditioning outlets will fade/damage Leather.
- Vacuum or wipe with a soft cloth to remove dust.
- Hardware may loosen over time. Periodically check to make sure all connections are tight, Re-tighten if necessary.

For items use on wooden floor, hard surfaces or carpets, it is recommended to Install protective pads under all legs and supports to avoid/prevent from damages/scratches and discoloration.
